INVITATION

ITA-COSUF Workshop 2009

Dear colleagues,

It is our pleasure to invite you to the next

ITA-COSUF Workshop **Date: 28 May, 2009**

Venue: Budapest Congress & World Trade Center, Budapest
Address: Jagelló u. 1-3, Room LISZT I-II-III

The envisaged programme of the workshop is enclosed. All relevant information (registration, participation fee, accommodation, etc. see enclosures) will soon also be available on the ITA website: www.ita-aites.org.

We strongly ask you to support the initiative of COSUF and to participate in this COSUF Workshop offering a programme with world-wide well reputed speakers and experts. They will present latest views, opinions and knowledge and lead discussions on highly topical subjects. Your participation will update you in all facets of safety in traffic tunnels. Insofar as you are not yet member of COSUF we would also like to encourage you to join that organisation and to participate in its important activities: the subscription form is also available on the ITA website. The workshop will be followed by the annual General Assembly of ITA-COSUF.

Please circulate this invitation to all those who may be interested in your country.

We really look forward to welcoming you in Budapest and remain

Yours sincerely

Felix Amberg (chairman)
